Standardized Patient Manual

SP Lounge

SP Lounge

- During events you should enter through the SP Lounge or designated door to avoid contact with students.
- **Food is permitted in the SP Lounge only.** You may use the refrigerator to store any snack or lunch you bring. Please remove your food items at the end of the day. At the end of each week, anything left in the refrigerator will be discarded.
- Be aware that students are often just outside the doors so keep the noise level at a minimum.
- The LCD (if available) is for training purposes only.
