Standardized Patient Manual
Standardized Patient Rights

As a Standardized Patient, you have the right to expect…

❖ You will be treated respectfully.

❖ Your psychological and physical safety is a priority.

❖ You will be provided the information and training needed to perform each role as required by the faculty.

❖ You will be able to refuse any role you find uncomfortable without being penalized.

❖ You will not be penalized in the event you have a true emergency that requires you to cancel your attendance even with minimal notice.

❖ You will be provided feedback from the SP Director, SP Educator, and campus Lead SPs.

❖ You will be provided instruction on how you can improve your performance when necessary.
